Dear Paul,

I would like to express our appreciation for the excellent customer service that you and the staff at the Ray Morgan Company have given us at the BurneyWaterDistrict. Whether it is a service call or order supplies, we consistently have results within 24 hours or sooner.

The copier canon IR 2200 has been a great addition to our office. The conveniences of this machine have been many. You can't beat the quality and performance of the Canon products. We would gladly recommend the Ray Morgan Company to other companies and anyone interested.

Sincerely,

Betty Jackman
Secretary/Treasurer
