Subject: Letter of Recommendation for Ray Morgan Company

Sutter North Medical Foundation has been doing business with Ray Morgan Company for several years, and we have been very pleased with their products and service.

Sutter North Medical Foundation manages multiple medical facilities in multiple locations, and currently has over 90 Canon copiers and fax machines installed. With so many locations, users and devices to manage, excellent service and support are crucial. Ray Morgan Company has consistently delivered by providing an outstanding Canon product line, responsive customer service, and a service department that is second to none. Whatever challenges we face, their staff is quick to respond, and keep us up and running.

I would not hesitate to recommend Ray Morgan Company to anyone who is looking for the very best in office equipment solutions.

Sincerely,

Theresa Ruiz, CPA
