

XEROX Iridesse Production Press

Iridesse Capabilities

The Xerox® Iridesse™ Production Press offers all the hallmarks of a digital press –personalization, economical short runs, and agile production – enhanced by new high-value inline capabilities that allow you to combine stunning four-color imagery with up to two Specialty Dry Inks in a single pass. Iridesse™ opens up new production-level application opportunities, including white, clear, silver metallic or gold metallic dry inks in addition to CMYK with robust production capabilities.
